

We can help you
or a family member:

Get an Expert Medical Opinion

If you are unsure about a diagnosis or need help deciding on a treatment option

Find a Doctor

If you need help finding a doctor who specializes in your condition

Get Critical Case Support

If you have been admitted into the hospital and want Medical Expert guidance

Ask the Expert

If you have medical questions or concerns and want a leading expert's advice

Use Mental Health Navigator

If you need guidance on a mental health condition or treatment that isn't improving

“When it seemed like nothing was working, **Teladoc Medical Experts** showed me that there was another cause for my problem. This made me happy and hopeful!”

How it works

- 1 Contact us and we'll listen to your concerns and gather all of your necessary information.
- 2 An expert who specializes in your condition will review your concerns and medical history to give you clear medical advice.
- 3 Your physician will update you every step of the way and walk you through the expert's findings.

All services are provided at no cost.
